

FACIALS

Gatneau Prescriptive Facial £60.00

A professional and totally relaxing, cleansing & nourishing treatment which gives a radiant glow.

ProGalvanic Facial £70.00

An immediate feeling of a fresh, toned & deep cleansed complexion. A course helps improve specific skin conditions with the use of ionised gels & a galvanic current to penetrate the deeper layers of the skin.

ProLifting Facial £70.00

A complete treatment which tones & firms the slack muscles of the face and neck to lift & tighten the skins appearance.

ProGalvanic Lifting Facial £105.00

The ultimate skin treatment combining the effects of the Galvanic and the Lifting Facials together.

Circadia Enzyme Facial £80.00

This advanced cosmeceutical enzyme peel will break down the bonds between skin cells removing dead skin to brighten, clear and give radiance to the complexion.

Circadia Oxygen Facial £140.00

Oxygen is generated on the skin by an enzyme action carefully measured in the exact effective dose to treat a number of conditions including acne, anti-ageing, rosacea, high colouring and broken capillaries. It reduces redness, soothes inflammation, controls the bacteria associated with rosacea, minimises the appearance of enlarged capillaries and stimulates the cellular response to diminish visible signs of ageing.

Bio Skin Las Micro Dermabrasion Facial £80.00

This advanced facial treatment exfoliates and removes dry, dead skin cells to help treat sun damaged, ageing and problem skin types such as acne, acne scars and pigmentation marks. The infra red laser speeds up cellular renewal increasing the skins healing process.

FACIAL ADD ON TREATMENTS

Marine Mask £25.00

Added to any facial to uniquely balance the hydration of the skin by drawing up moisture from deep within the tissues.

Collagen Eye Treatment £35.00

A very specific treatment which thoroughly treats the delicate area around the eyes to help reduce the signs of ageing. Add to any facial to plump and rehydrate the delicate skin around the eyes.

Milia Removal From - £30.00

White spots of trapped sebum under the skin, are effectively removed during your facial.

High Frequency £25.00

Add to any facial to purify and refine an oily or combination skin.

Circadia Enzyme Peel £40.00

Adding this enzyme peel to any facial will brighten the skin and remove stubborn dead cells to allow deeper penetration of active products into the skin.
